EDUCATION	Columbia University, PhD Field: Astronomy	Fall 2018
	Columbia University, MA Field: Astronomy	Spring 2014
	Hunter College, CUNY, Bachelor of Arts Major: Physics, Minor: Mathematics, GPA 4.0	Spring 2012
	University of Miami, Bachelor of Science Major: Systems Analysis, Minor: Mathematics Cum Laude, GPA 4.0	Fall 2005

Ph.D. DISSERTATION	“The Relationship Between Stellar Rotation and Magnetic Activity as Revealed by M37 and Alpha Persei Advisor: Marcel A. Agüeros	Summer 2018
-------------------------------	--	-------------

RESEARCH EXPERIENCE	Columbia University, NY Research Scientist Age, rotation, and magnetic activity in low-mass stars	2025 - present
	Columbia University / American Museum of Natural History, NY NSF MPS-Ascend Postdoctoral Fellow Age, rotation, and magnetic activity in low-mass stars	2021 - 2024
	Columbia University, NY Advisor: Marcel A. Agüeros Age, rotation, and magnetic activity in low-mass stars	2013 - 2021
	Columbia University, NY Advisor: Jeremiah P. Ostriker Supernova feedback in smoothed particle hydrodynamics	2012 - 2016
	CUNY Hunter College New York, NY RISE Fellow Advisor: Kelle L. Cruz Spectroscopic characterization of brown dwarfs	2010 - 2012

	Space Telescope Science Institute, Baltimore, MD Space Astronomy Summer Program Participant Advisor: Rachel Osten Application of stellar flare model to solar flares	Summer 2011
	American Museum of Natural History, New York, NY NSF REU Program Participant Advisor: Kelle L. Cruz Spectroscopic analysis of brown dwarfs	Summer 2010
GRANTS & FELLOWSHIPS	NSF MPS-Ascend Postdoctoral Fellowship	2021 – 2024
	Sigma Xi Grants-in-aid of Research	2017 – 2018
	AAS FAMOUS Travel Grant	2016
	GSAS Named Annual Fellowship Columbia University, New York, NY	2013 – 2014
	RISE NIH Undergraduate Fellowship Hunter College, CUNY, New York, NY	2010 - 2012
	Jay F. W. Pearson Scholarship University of Miami, Coral Gables, FL	2003 - 2005
AWARDS & HONORS	American Astronomical Society Beth Brown Memorial Prize Student Speaker Award 2011 NSBP / NSHP Joint Annual Meeting, Austin, TX	2011
	University of Miami Provost's & President's Honor Roll University of Miami, Coral Gables, FL	2003 – 2005
TEACHING EXPERIENCE	<i>Stars, Galaxies, & Cosmology</i> (lab) Columbia University, New York, NY	Spring 2014, 2015
	<i>Earth, Moon, & Planets</i> (lab) Columbia University, New York, NY	Fall 2013, 2014
